FRED 18th. May. 1760

SIR —

I reciev'd yours, in answer to which I can only say that I think that land was conveyd to your Father by Mr. John Grant and his wife,<sup>1</sup> and the money there ariseing was paid to me as Guardian to my Brothers Children to whom I paid it as the came of age, so that I fear I shall be brought in my self, however as your right seems to be very clear, I only desire you let it lye till I can consult the Gentlemen who married those Children who I will prevail on if possible either to refund the money, or submit it on the terms we did our dispute. they live at a great distance so that it will probably be a month or two before I can inform you what can be done.

I am

Sr. Your most Humb: sert. ANTHONY STROTHER<sup>2</sup>
